

Essential Tax training for experts from the financial sector

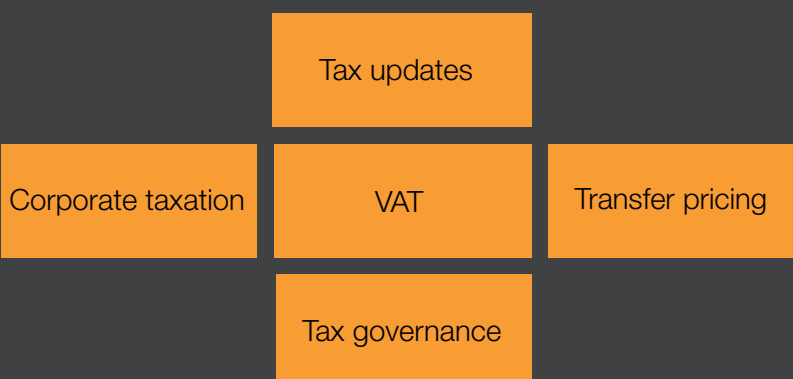

19 November 2024

A training by PwC professionals, powered by PwC's Academy

- 1 Focus: deep dive on various taxes, including, corporate tax, VAT, transfer pricing and tax governance, along with practical insights for effective tax management and compliance.
- 2 Coordinated and delivered by PwC's seasoned experts.
- 3 For experts from the financial sector (banking, insurance, asset and wealth management, payment institutions) willing to expand their knowledge & competence in the field of tax.
- 4 An opportunity to network amongst professionals from different horizons.

Agenda

Essential Tax training is a 5-module approach, providing participants with an in-depth understanding on:
