---

**This was an incredible opportunity, as it is very difficult to get first-hand insights from business owners who are considering selling their companies."**

**RAPHAEL BOLSINGER - DBA 2022**

**BUSINESS  
SCIENCE  
INSTITUTE**

Doctorate of Business Administration

“

**When you work in consulting, writing helps to build credibility and legitimacy. And that's really important in a profession like ours - not everyone writes, and those who do have a different position in the market.”**

**MARTINE STORY - DBA 2021**

**BUSINESS

INSTITUTE**

Doctorate of Business Administration

**The DBA allowed me to get away from the routine of hands-on management, which I had been in for years, to finally be able to read, write, think outside the box and look around me."**

**ETHMANE OUMAR - DBA 2021**

**BUSINESS  
SCIENCE  
INSTITUTE**

Doctorate of Business Administration

**I found that when there's a mutual academic area of research, they keep the contact, they keep the collaboration, they keep the interaction going. And this is very valuable to me."**

**CAROL AEBI - DBA 2022**
